**Bio for Evangelist Mike Fisher:**

Since 2008, God has opened the door for Evangelist Fisher to travel in the field of evangelism. After being saved at twenty-one years of age in 2001, Evangelist Fisher has set himself to the plow and has not looked back. He is now focused on reaching public school teenagers through a program that he founded entitled Consider Character. He and his family are committed to seeing generations reached for Jesus Christ.

**Pastor Dan Matsuoka**

Breakaway/CCIC Mission Team

Dan came to CCIC-SV's Youth Group as an 8th Grader in 1997. Dan studied History at UCLA when he felt the call by God into full-time ministry while being involved in campus ministry at UCLA Crossroads Campus Ministries, and then received his Master of Divinity degree from Talbot School of Theology in December of 2011. After serving part-time in College Ministry and in Worship Ministry while attending seminary, Dan decided to move back home to San Jose and to return to CCIC-SV full time. Dan's primary focus is working with the youth group. He is also involved in the English congregation's worship ministry. His passion and vision is for God's people to learn more about the grace of God so that they can become disciples to do the same.
