

June 5, 2020

最近高牧師飯量開始減少，體重也降低，所以六月二日早上高牧師去了醫院作胃鏡與腸鏡的檢查，醫生在胃及附近發現了腫瘤，雖然目前還不能完全確定，需要作進一步的檢查，但初步診斷胃部確有腫瘤，看來很快就要去作治療，等過幾天照了 CT，MRI，再決定治療的方法，請為此禱告，願主的美意彰顯，求神按祂美好的旨意成全，我們就一同帶著信心仰望主，請多多為高牧師禱告！

謝謝弟兄姊妹們的愛護與關心，高牧師身體情況，隨時會在網上更新，請參看中心網站。非常謝謝大家的禱告與關心。高牧師將會在密蘇里州哥倫比亞大學的醫院治療，求主給醫生有智慧作診斷與治療。也為高師母在加州甲抗治療與白血球偏低的恢復禱告，願主彰顯祂醫治的大能。

Recently Pastor Ko found out he lost appetite and his weight had dropped. On June 2, he went to the hospital to check his stomach and colon. The doctors found a tumor at his stomach and surrounding area. Even now the result has not been confirmed and needs further checking. But the preliminary diagnosis is there is a tumor at his stomach. After the CT scan and MRI check, the doctors will decide the healing method. Please pray for this. May God's will be done and His perfect will be shown. Let us look up the Lord with faith. Please pray for Pastor Ko.

Thank you for your love and care. Pastor Ko's health situation will be updated on the CWC website as it becomes known. Thank you for your prayer and care. Current plans are that Pastor Ko will go through treatment at University Hospital at Columbia, MO. Pray the Lord to give doctors wisdom for diagnosis and treatment. Please also pray for Mrs. Ko's thyroid healing and the recovery from her blood cell counts. May the Lord show His mighty healing power.
