

July 7<sup>th</sup>

謝謝弟兄姊妹的禱告, 高牧師現情況穩定, 今天下午已從深度治療室轉入普通病房. 若一切轉好, 或許明天 (星期三) 可以出院. 一切等明天醫生巡過病房後再確定. 請繼續用禱告托住高牧師.

義人祈禱所發的力量是大有功效的 (雅 5:16 b).

Thanks for all the brothers and sisters prayers. Pastor Ko's condition is stable now. He has been transferred from ICU to the regular room. If all goes well as the doctors judge, perhaps Wednesday 7/8 he can be discharged from the hospital. Please continue to sustain Pastor Ko through prayers.

“The effective prayer of a righteous man can accomplish much” (James 5:16b)
