

過去兩週是讀經營與門徒訓練營，同工們非常忙碌，所以我的分享就暫時擱置兩週。這兩個營會是在中心實體舉行，感謝主！不少弟兄姊妹將基督精兵的精神發揚出來，約有一半的弟兄姊妹需要開一、兩天的車來參加營會，除了有家人、朋友、甚至有教會的同工都勸他們不要來參加，但他們卻排除一切的困難來追求主！他們的信心與勇氣，真是很好的榜樣，主也非常賜福每一位，大家都在主面前得到豐盛的領受。我雖然因身體的緣故不能到中心參加，同工們卻為我安排直播，每當體力容許時，我也把握機會參加，也參加聚會中的禱告會。主藉著祂的道不但鼓勵弟兄姊妹在疫情中作主精兵，在疫情中與主同行，走出疫情，為主作見證，在新學期把握時機傳福音。主也藉著祂的話勉勵我，在病情中繼續倚靠主！追求主！作主的見證。為過去兩週能有健康的身體，可以享受主的話與主的同在，感謝與讚美祂。

昨天（8月10日）下午我去醫院作MRI的拍照，今天早上會再去醫院抽血，見化療醫生，再作第五次的化療。至於什麼時間動手術，醫生說晚一點會更好，讓癌細胞盡量縮小，更容易動手術。等他看了MRI的報告，與他的小組討論後，再作決定。看來最快也要等到九月中，剛好所有營會與短宣事工都已結束。不論怎麼樣的安排，主的帶領總是最好的。我是在主的手中，一切交托祂，就可以享受祂的同在，祂會以祂的恩典遮蓋一切的困難，好顯出祂的愛、偉大與榮耀！信靠祂的人是蒙福的。

師母差不多每天都要接送我去醫院作各樣的治療，也是滿辛苦的，這幾天因甲亢的緣故，感覺身體不適，昨天飛回加州看醫生，並準備休息三週後再回來，女兒今天會飛回來三週接替照顧的工作，感謝主的安排，也請大家為師母身體的康復禱告。

謝謝大家的愛心與禱告！

My sharing was on hold for two weeks due to the Bible Camp and the Discipleship Training Camp. Coworkers were very busy with these two camps held at the CWC campground in person. Thanks be to the Lord! Brothers and sisters have carried out the spirit of Christian soldiers. Among the attendees, about half of them needed to drive one or two days to attend the camps. Some of their families, friends, and even church leaders advised them not to come, but they set their hearts to pursue the Lord! Their faith and courage are a good example, and the Lord rewarded them by blessing them abundantly. Although I was physically unable to be at the meeting, our co-workers arranged a live broadcast for me. Whenever I was physically OK, I took the opportunity to attend the training and prayer meetings. In this pandemic as always, the Lord through His Word not only encourages brothers and sisters to be good soldiers and walk with Him, but also to go beyond hindrances to witness for Him and to seize the opportunity to proclaim the Gospel in the new semester. The Lord also encouraged me by His Word to continue to put my trust in Him, to pursue Him, and to witness for Him during my illness. I thank and praise the Lord for granting me good health in the past two weeks. I enjoyed the sweetness of His Word and His presence.

Yesterday (August 10) I went to the hospital for MRI. This morning I will go to the hospital again for a blood test, to see the chemotherapist, and to undergo my fifth chemotherapy. Looking toward the surgery, the doctor said it would be better and easier

with the cancer cells shrunk as smaller as possible. A decision will be made after he has read the MRI report and discussed with his team. It looks like mid-September will be the earliest time for the surgery. The good thing is that all the discipleship training and short-term missions will be over by then. No matter what the arrangement will be, the Lord's timing is always the best! I have committed myself in His hands, and I will enjoy His presence, and have the assurance that He will cover all difficulties with His grace, so that His love, greatness, and glory can be revealed! Blessed are those who put their trust in Him.

It has been tough for Mrs. Ko taking me to the hospital almost every day for all kinds of tests and treatment in the past months. She was not feeling well these days because of her hyperthyroidism. She flew back to California on Sunday to see her doctor and will take a break for three weeks before coming back, and my daughter will fly back on Monday for three weeks to take care of me during her absence. Thank the Lord for His arrangement. Please pray for Mrs. Ko, for her full recovery and quick recuperation.

Thank you all for your love and prayers!
